Explanation of changes and other important information

We assessed this return as filed.

Because you received COVID-related benefits in 2020 and your taxable income was \$75,000 or less, we are providing flexibility for paying the balance you owe on your 2020 tax return. The interest that would normally be charged starting on May 1, 2021, will be waived until April 30, 2022. We will start charging interest on any unpaid balance from your 2020 return on May 1, 2022. We are still charging interest on any unpaid balances from previous years.
